

A smart model by Joseph & Milton. Photograph from Kennedy.

A charming evening gown of transparent velvet. Photo by Doherty.

Madam Senior created this hand-embroidered gown of Wedding Ring Velvet. Photo by Kennedy.

Rosa Hamilton, of the recent "Out-land," wears this Martha gown of silver moire and beaded rhinestones. Photo by Charles Aplett.

TODAY you can buy any dress, no matter how elaborate, and know that its freshness and chic can be maintained and revived by the sensational new drycleaning process developed by Mr. A. E. Hatfield of London, England—probably the greatest technical authority on drycleaning in the world—and just installed personally by him at Langley's.
