REID'S
LINGERIE

A. T. REID & CO., LIMITED
Established 1903
TORONTO CANADA

An air of ultra-smartness which one would expect only in garments truly Parisian is evidenced in the Reid line of rayon silk Lingerie. The delicate tracery of hand-made Chinese lace which adorns this Teddie exemplifies the deft touches of refinement which make Reid Lingerie so delightfully different. All the better stores have Reid Lingerie in a profusion of appealing tints, at prices surprisingly low.
