

Studebaker Commander Eight Regal Roadster, for four... five wire wheels standard equipment

When you buy an Eight... as you will... choose a Champion! Inevitably, you will buy an Eight — if, indeed, you do not already own one. Choose a seasoned Champion when you buy... one of Studebaker's three great Eights, which hold more American stock car records than all other makes combined. Studebaker's famous achievement—30,000 miles in 26,326 minutes elapsed time—has stood since August, 1928, the official world's record, unapproached. More than 100,000 Studebaker Champion Eights roll the roads today. When a champion costs no more to drive or to own, why accept less for your money?
