Tom is so particular that it makes my selection easy—I'm giving him some Forsyth Shirts and Pajamas

**Really! IT TAKES A WOMAN TO FIND STYLE AND QUALITY HER PREFERENCE FOR FORSYTH IS ONLY NATURAL**

Women's judgment in buying things for men is unquestioned. Men know that and know too, that the more style and quality enter into the purchase, the safer it is to leave it to a woman's selection. Particularly men especially delegate their buying to the women folk.

In the important matter of shirts and pajamas of course Forsyth is the natural choice because they combine both style and quality and carry a positive guarantee of satisfaction. "A new garment for my one that fails."

Make your Christmas selection easy by giving him Forsyth Shirts and Pajamas. Priced to suit every purse. John Forsyth Limited, Kitchener, Canada.

**The Guaranteed Forsyth SHIRT and Forsyth Forbelt Pajamas**

Only Forsyth Pajamas have the Forbelt feature. They stay up without waistline pressure.
