## Back Comes CHEERFULNESS

### What They Say

"Just imagine—for only a few dollars I've had my best rugs all cleaned and refreshed. You can hardly believe the difference! We had these rugs down so long that the original brightness of the colors was lost. Day by day soil and dust had deadened them. Now they have life and snap! They make the whole house more cheerful! Everything is beautiful again and it's astonishing how little it costs!"

Oriental—54c. per sq. yard.

Domestic—30c. per sq. yard.

ONCE you've decided to clean house, it's astonishing how helpful you discover Langley's can be. We call at your home and take away those dull, colorless rugs with their caked-in dirt. The drapes and portieres with their burden of dust and grime—the curtains of lace and silk, soiled by dust from the open window—the upholstered furniture that shows soil at the wear points—countless things from lampshades and piano scarves to cushions and table runners... into the Langley plant they come for dry-cleaning treatment.

And presto! In a few days they arrive home! And the whole house takes on new charm and cheerfulness!

There's a new atmosphere of brightness—comfort

—prosperity—pride! Craftsmanship of unusual skill has revived colors—refreshed fabrics—removed soil and dirt...

made everything sanitary... given house-cleaning a new meaning!
