# Rouge Hills Country Club

The new Rouge Hills Country Club surpasses expectations. Opened only a few weeks ago, it is already proving popular, both with the golfing members and with those who go there just for smart dinner dances. Its unparalleled facilities for conventions and similar gatherings are also calculated to promote its usefulness. The exterior appearance is such that the new club house enhances the natural attractions of Rouge Hills.

## TORONTO'S GREATEST SUMMER COLONY

The Rouge Hills Country Club makes this development different from any other summer colony ever offered Ontario people. Rouge Hills is so near to Toronto—17 miles from King and Yonge—that a 45 minute

drive out the Kingston Road Highway brings one to the property.

A beauty spot overlooking the lake—on one side the advantages of an ideal bathing beach—and, NOW, on the other side a real golf

and country club!

Many choice building sites are still available. Anyone contemplating building a summer home that will possess the merit of a good investment, should visit Rouge Hills.
