At the right is the new Canadian Champion Four who, skating against the Winnipeg Four, won their title at the recent Figure Skating Championships at Winnipeg, and who also took an important part in the spectacular carnival of the Toronto Skating Club during April. They are: Mr. Herbert Spratt, who although he has only taken up figure skating for the past two seasons is intermediate champion of the Toronto club and runner-up to Mr. Lewis Elkin for the national novice title; Miss Mary Littlejohn, winner of the Canadian ladies' novice singles, second in both the waltzing and ten-step events at Winnipeg, and intermediate champion of the Toronto Club; Miss Elizabeth Fisher, runner-up in the ladies' senior, former national novice champion, and junior club champion last year; and Mr. G. E. Beaumont, formerly of Minto Club, Ottawa

Although the Toronto Skating Club retained its hold upon most of the national titles and carried off the Earl Grey trophy for the highest aggregate number of points scored at the Canadian Figure Skating Championships at Winnipeg, the showing of the westerners was praised by the judges. "The future champions are in the West," according to Mr. John S. MacLean, of the Toronto Skating Club, who, with Mr. Allen Howard of the Montreal Winter Club, was enthusiastic in the progress already made by the new Winnipeg Club. Above is a clever photograph of the Winnipeg pair who were runners-up for the national pair title. They are Mr. Lewis Elkin, novice singles champion this year and runner-up to Mr. Montgomery Wilson in the senior singles event, and Miss Margaret Winks, a member of the Winnipeg Club Four
