are Lieut. Des-  
) Highlanders,

# THE TRIUMPH OF INDIVIDUALITY

**L**A SALLE represents the triumph of individuality — of personality — in automobile design. In La Salle one finds an artistic expression of his own motor-car ideals—a crystallization of his own aspirations and desires.

And in La Salle, too, one finds the staunch integrity—the unimpeachable performance of its distinguished family, Cadillac. For La Salle has indeed proved worthy its appellation, "Companion Car to Cadillac"!
