

BEACH . . TRAVEL  
 . . . MOTORING  
 AND SPORTS WEAR

Lounging slippers in plaited black and red, with red heels. Cameron and Jeffries

Travel kit in a pigskin case. Two compact brushes fit into the container. Holt-Renfrew

One of the smart new beach or lounging ensembles for men. This one is of soft French mercerized material; a modernistic pattern in rich wine shades with a beige background. Fairweathers

Above: The new motor gloves of stout, but supple, mocha-toned leather; hand-sewn ridges on the palm give a sure and certain grip on the wheel. Ely. Two new Danish sports jerkins; the one of the windbreaker type has a lightning fastener down the front. Both are of reindeer. Imported by Ely

One of the new batik patterned ties in rich tones of blue and red. Cameron and Jeffries
