Slim lines and short skirts demand sheer and lustrous underthings in a variety of colors to match frocks and hosiery.

You can now have a wealth of the loveliest of lingerie at surprisingly moderate cost. Constant washing will not harm or stretch Woods Lavender Line Lingerie—after many months you will still love it—that's why it is so economical.

You will find Woods Lavender Line only in the better women's shops. You will know it by the little satchet of Lavender attached to each garment.
