

HEINTZMAN

A Heintzman Queen Anne Period Grand in the home of Mr. P. A. Dymont, 81 Sighthill Avenue, Toronto.

Enchanting Home --- and beautiful Grand

In the charming room pictured above a Heintzman Grand lends a pleasing atmosphere of delicacy and refinement. Each graceful contour reflects the care and thoughtfulness with which it was built. The real beauty of a Heintzman though, is in its tone. Strike a chord—and listen. What an ecstasy of sound. What glorious perfection of tone. None can compare with a Heintzman.

If you are proud of your home it deserves a Heintzman Grand. Government bonds are coming due... the Christmas cheque is still unused... two practical reasons why you should choose a Heintzman now.

Beautiful Grands and Period Grands in many exquisite styles await your choice. May we show them to you.
