

MILGRIM HATS of straw and felt are distinguished for beautiful treatment of fine details, no less than for unfailing superiority of design and quality.... "Cote d'Azure"—a Sally Milgrim hat for Southern wear—is modern as the passing moment, fine in every intricate detail, and carefully styled to harmonize with the prevailing mood of the new Fashions. As shown, it is developed in delicately woven Italian straw-fibre.... Hats by Milgrim will be found in Canada exclusively at The Robert Simpson Co., Ltd. Toronto, and The Robert Simpson Montreal Ltd.
