Simpson Company.

The June Bride

WE hope that the day
be filled with sun-
shine — this wedding day
of yours — may it enable
you to realize your fond-
est dreams and start you
forth upon a life of joy
and happiness.

We undertake bridal port-
raiture in the home or in our
studio, and supply as few as
three copies, or as many as
desired. If you will telephone
or call, we will be glad to
make an appointment for you
and relieve you of all further
responsibility.
