

LINEN DAMASK

Loomed Luxury for the Table

TO THE EYE of taste, there is incomparable distinction in the subdued luxury of Linen Damask laid upon the table. Its exquisite weave, its delicately modulating tones, encompass the ritual of perfect service with a harmonious beauty that is the highest virtue of correctness. The looms of Ireland and Scotland have excelled through the centuries in creating Linen Damask Cloths and Napkins imbued with a supreme expression of this special charm. In homes where the perfect appointment of the table is a first principle of the art of living, Irish or Scottish Linen Damask is essential.

THE SUNBURST

This cloth is loomed in Linen Damask to an inspiration from the radiance of the Sun. With consummate feeling for dynamic rhythms, master weavers have created a design of conventionalized irradiations and suggested shadows, ingeniously utilizing the dual tone of the fabric to an extraordinary brilliance of effect. It is one example from many exclusive designs offered to the discriminating hostess.

In White, or Pastel Tints. Moderately Priced
