

# THE CALL OF THE LINKS

When the spirit of Golf and the smell of the green grass moves you to seek new golf togs as the first essential preliminary to the season, ask to see the new Ballantyne golf sweaters.

Ballantyne sweaters, made in Canada, are the equals of the finest imported sweaters—in fit, in finish, and in fineness. Their patterns are such as golfing men wear at the best clubs, quiet, but pleasing and distinctive. Ask for Ballantyne garments.
