

MAYFAIR'S CALENDAR

The Debutante

Awakening to the exacting standards of the world around her, the debutante, naively sophisticated... the embodiment of youth and loveliness... demands the finest things of life—and, incidentally, gets them.

Our successful production of portraits in High Key exquisitely reflects the charm and grace of youth.

Shoes are Known by the Company they keep

WHEREVER fashionable women assemble — at weddings, teas, at homes, ballrooms — Owens-Elmes Slippers are in predominating evidence. A proof of this is shown in the illustrations of society events in this issue of Mayfair. For women of refinement and good taste know that these fascinating shoes are always in perfect tune with the fashion note of the day. Deft of line and shapeliness, they enhance the smart appearance of any trim gown or dress.

The new Fall styles now being shown are moderately priced at from \$10 to \$12.50 per pair.
