A lovely sprite of the ice, Miss Cecil Eustace Smith, of Toronto, is here shown in carnival spirit wearing the silver costume in which she recently appeared at the New York Skating Club Carnival at Madison Square Gardens. The Canadian Figure-Skating Champion in 1925 and 1926, Gold medallist and twice Canadian representative at the Olympic Games, Miss Cecil Eustace Smith pair-skates with her sister Maude (see below), and they have been twin stars of both East and West, scintillating lately at the Rotary Club Carnival in Victoria and Vancouver and Winter Carnival in Quebec
