Filmy lace in rich ivory tone fashions this evening gown with its molded silhouette and dipping hemline, while a flaring cape floats from the shoulder. From Isobel, of London, England

THE LONDON MODE

Isobel, of London, England, interprets the spring tailleur in primrose and rigger brown flecked tweed. Three-quarter length coat with astrachan

The outstanding success of the season . . . Darby Dresses . . . essentially smart . . . triumphantly style-right . . . and as inexpensive as they are beautiful. Created to express the newer mode, they are made from an exquisite new fabric, Crepe Darby . . . a sophisticate fabric . . . full of life and beauty . . . a fabric free from loading . . . that washes beautifully, and never loses its original body or beauty of colour. Crepe Darby dresses are very moderately priced. + + +
