Parker New Green and Pearl  
Duofold de Luxe

PEN GUARANTEED FOR LIFE

\$7.50 \$8.50 \$10

Most original of all *moderne* color effects is Parker's new green-and-pearl.

This striking iridescent combination is now on exhibition at all dealers in the new streamlined Parker Duofold Pens and Pencils, Senior, Junior, Lady Duofold and new Vest-Parkers.

Don't fail to see it before buying any pen or pencil.

## Like 2 for the Price of One

All Parker streamlined Pens and Pencils are convertible for pocket and Desk Set use . . . they are *double-duty* writing tools.

That means that the Pen you buy for your pocket transforms instantly into a Pen for your Desk Set by simply slipping on its tapered tip. So with the Parker Pencils.

No need to buy a second Pen or Pencil to have a Desk Set—buy only the base to hold the Parker you have. This can be done at any time. Tapered tip included.

### Compact as your Latch-Key

These new Midget Vest-Parkers weigh but  $\frac{3}{4}$  of an ounce. Snuggle in waist coat pocket or purse, like a latch-key yet both convertible to use in a special Midget Desk Base. Pen, Guaranteed for Life, \$5 (in de luxe green-and-pearl, or black-and-pearl, or black-and-pearl, \$6). Pencil to match, \$2.50 and, de luxe, \$3. In Duette Sets, as shown, \$7.50. Double Bases from \$8.00 up.

Or, if you first buy a Desk Set complete, you get in addition the pocket cap with clip to convert your desk Pen or Pencil into a pocket model. Thus one Parker serves as two—that's Parker Duofold Double-Duty.

### Pen Guaranteed for Life

See the new Green-and-Pearl and Black-and-Pearl Parkers at the nearest pen counter. Try writing with Pressureless Touch, with the Pen that is Guaranteed for Life. Have the *double-duty* features of both Pens and Pencils demonstrated. See how this gives you a Desk Set for about half the price you'd ordinarily pay.
