In Mayfair—

the art of London living reaches its high spot; not in Piccadilly hotels nor Kensington apartments, but in Mayfair houses.

As urban as Mayfair, as convenient as an American apartment, but with a suggestion of rural England in its composition, we offer, in North Sherbourne Street, South Rosedale, in a distinctive group of twenty-one houses, a contribution to the art of living in Toronto

—at Ancroft Place

THE houses have from six to nine rooms, each with attached garage, heating from a central plant, etc. Rentals from \$175 to \$250—about half the rate per square foot of comparable apartments. We have a house available now; two others will be vacant in the spring.
