

This dinner hat broadens its brim in fluttering fashion. The crown is in white felt, the brim in flashing red Milan. The cobra trimming adds the final note of chic. At \$25.00.

Palest blue blended with petal pink, gives an enchanting color effect to this taffeta frock. It suggests the picturesque crinoline silhouette. \$69.90.

Fairy fine net fashions the bouffante frock that is just one "frothy" frill after the other! The moulding basque bodice is in white georgette. \$75.00.

When Summer Comes Dancing In

—with moonlight nights, fluttering Frocks as lightsome and lovely as a Summer breeze, have their important part to play with the smart world that dances and dines the whole night through.
