

When that black dog approaches my house
who
rushes to meet it
foamwhite
but my dog

Black dog might think my house contained
one dog

But inside
sleeping, deaf, or unaware
lives Mother, mild and smiling;
Father, cool;
brave Uncle Bull;
old wild Aunt Manik;
Mirror's Twin;
bold Shinpad; and
still warm in wool ~~and~~ slumber,
milky Child;
briar Cat; Kits th~~is~~istledown;
~~xxxxxx~~ If one but knew--
Mice, Spiders, Flies, Moths, Molds
and so on

yet

when that black dog approaches
