

To lady bilias.

You sat,
 Swathed in an opulent dress
 With pearls in your ears.
 You were so beautiful
 Your face
 Soon filled my eyes with tears.

You stood,
 A flaring eopon dress
 Fell down around your feet,
 You were so beautiful
 My heart
 Begged a faster beat.

You laughed,
 The world was full of song,
 Your laugh was like a bell,
 It was so beautiful
 Your face
 Required it as well.

You spoke,
 Your voice was musical,
 You had a rabbink note,
 It was so beautiful
