poets looked over to see if
Sassoon set down is in the
appears in the course of
of the Canadian soldier overseas.
And the desire to build a
new world for the returned
soldiers and their families
is a story there in Dunbar's
novel *The Way of the World* 1919.

But it would seem also that
no ^{actual} real political understanding
of the nature of our society
and its entrenched consequences
developed in the 1920's. It was
not until the 1930's when
the entire social fabric
of the nation collapsed into
bread lines, evictions, suicides,
police provocations and attacks
on strikers that what could be
termed political consciousness
began to grow in the minds of
